Shawna,

Were the 400 plus boxes of Brohm documents placed into the records center and if they were, did we include them in the sitewide releasable index?

Also, I am assuming that the releasable site index for Gilt Edge included 104(e) requests and responses that were releasable, correct?

Andrea,

## Ex. 5 AC/AWP by Consult with DOJ

Thanks to both of you!  
Sharon
